

Samaritan Bethany

Providing compassionate senior care and strengthening our community for over 100 years

A message from the Co-Mission Leaders

The transition to leadership has been well-received and smooth among all those we engage with. Exploring our co-leading style has been a delightful journey, bringing our team together as Samaritan Bethany.

Our recent focus has been on upholding our mission of providing compassionate individual-directed care that enhances and strengthens the greater community. The unwavering support from our dedicated staff during this time has been nothing short of remarkable.

The residents, families, donors, and staff collectively contribute to Samaritan Bethany's success. Together, we continue to support our Rochester community aging population. We invite you to share the impactful stories you encounter at Samaritan Bethany, which we refer to as our mission moments.

Best Regards,

Kyla Berg & Rachael Maxfield
